Incredible performances are taking center stage—  
you won't want to miss all 7 shows!

# A MARVEL OF MUSICAL MASTERY

It's such a joy to be serving as the Principal Pops Conductor of your Pacific Symphony! As we embark on our second season together, I'm thrilled to share even more evenings of great music and entertainment with you and our incredible musicians.

For me, an orchestra should be a reflection of its community, so it's been a pleasure to design a season that is reflective of the vast cultures and musical tastes of Southern California. Our season will cover a wide breadth of genres from pop to rock, jazz to soul and contains a little something for everyone.

We will be joined by some iconic headliners you know and love like Bernadette Peters as well as fresh, new artists like Joss Stone and Ben Folds. I am especially eager to share a brand-new show I've written entitled *La Vida Loca*. Featuring the greatest hits by 90s Latin sensations like Ricky Martin, Shakira, Enrique Iglesias, and Gloria Estefan, I can guarantee we'll get you on your feet dancing and singing the night away.

So, join us for an electrifying Pops Season shaped by the outstanding musicianship and artistry of your Pacific Symphony. Thank you for your support! We look forward to seeing you at a concert very soon.

Sincerely,

**ENRICO LOPEZ-YAÑEZ**
