### Artwork Submission Formats

Artists are welcome to submit original artwork in the following formats:

- Paintings, no larger than 24" x 36"
- Drawings, no larger than 18" x 24"
- Photographs, no larger than 18" x 24"

### Submissions requiring frames

Artwork submissions that are not already framed or otherwise fit for easel display will require frames, if chosen for in-person display. Framing will be provided as necessary.

If artwork submitted for easel display consideration is an irregular size for which a frame is difficult to find, please note:

- A frame may not be provided for your work
- A frame and mat size that obstructs part of your work may be used
- Your artwork may be chosen for digital display only

### Submission Process

Submit a digital copy/photo of your artwork to Eileen Regullano at [eregullano@pacificsymphony.org](mailto:eregullano@pacificsymphony.org), along with the following information by **Monday, January 29 at 5:00pm Pacific Time**.

- Your name, address, email address, phone number and age
- Title of the work, medium, year completed, and size of artwork
- Your display preference (on easel or digital on screen) and artwork dimensions (if easel display)
- A brief statement or description of your artwork

All artists will be notified of selections for display and contest winners the week of February 12. Artists selected for easel display will be contacted to arrange for art drop-off.
