The joy and power of live performance sparked a creative spirit in me as a child seeing a local symphony for the first time, and is reflected in my concerts today. I want to present engaging and memorable concerts for the entire family that bring us together, improve our shared experiences, and inspire more vibrant musical creativity.

I invite you to join me and the incredible Pacific Symphony at our Family Musical Mornings presented by Farmers & Merchants Bank. These performances are designed with the family and young audience members in mind. They enrich our community and unite families in the magic of a live performance, fusing classical music with captivating multimedia formats, storytelling, dancing, acting, and

singing. Through this extraordinary art form, young minds are inspired and transformed in the most fantastic ways.

Our upcoming season is filled with a variety of musical adventures. It begins with haunting and popular tunes from some of the best fandoms in **Halloween Fandemonium!**, and then ushers in the holiday season with the grandeur and beauty of Tchaikovsky's **The Nutcracker for Kids**. Next, we bring you Mozart's greatest operatic hits in **Mozart and More! Opera for Kids**. Our season concludes with a celebration of mariachi and ballet folklorico in **iFiesta Sinfónica con Mariachi Garibaldi!**

Don't miss the opportunity to create musical memories with your family today!
